

**West Amenity Park**

**Concept Update**

**December 2019**

Happy Holidays from Southern Land Company!

The West Amenity Park is underway and we wanted to make sure that we shared some details about the concept and our progress before everyone gets busy celebrating and enjoying their friends, family and Westhaven neighbors.

As you will see in the slide deck, there are a number of new attractions at the West Amenity Park where crews are now grading in preparation for construction activity in 2020. These conceptual images will offer you an early glimpse of the exciting things coming your way.

We hope each and every one of you has a joyful and safe holiday season. And as always, thank you for being part of the neighborhood and making Westhaven your home. We're very glad you are here.

- Pool House - 1
- Formal Lawn - 2
- Fire Pit - 3
- Covered Seating - 4
- Existing Tennis Courts - 5
- Proposed Pickleball - 6
- Golf Club House - 7

**Social gathering areas with fire pit and plenty of outdoor, covered seating**

**Side view of the fire pit area with view of covered seating and access to the pool**

**A brand new six-lane competition pool and home to Westhaven's soon to be Championship swim team**

**But the pool is not exclusive to aspiring Olympians. It's also for fun, leisure activities as well. And the facility is complete with restrooms, a full-service kitchen and bar, open areas for games and parties and plenty of seating for simple relaxation and beating the heat in the warmer months.**

**The West Amenity Park is truly that: a genuine Park environment with amenities that will appeal to all age groups. Consistent with Southern Land priorities, the park's design is seamless with its natural surroundings.**
